

# Administration of Medication to Pupils

## Agreement between Parents and School (Appendix 1)

In order to keep the administration of medication to a minimum, the Head or Medication Coordinator should consider requesting that parents administer the daily doses out of school hours. However, if this is not possible it will be necessary for the school and parents to make a formal agreement to enable members of staff to administer medication to pupils during the school day by completing the form below.

In most cases only medication that the child's doctor has prescribed can be administered, hence school staff should not administer 'over-the-counter' medication. However, at the discretion of the Head, it is permissible for paracetamol to be administered provided that the practice is strictly controlled in the same way as is prescribed medication. Further information is given on page 6.

**Note: Medicines must be kept in the original container as dispensed by the pharmacy.**
