

Beaufront First School Long-Term Plan: English

Intent	Implementation	Impact
<p>At Beaufront we are passionate that every child enjoys a rich and meaningful English curriculum through which they only become skilled readers and writers but also develop a deep love of literature. The English Curriculum at Beaufront meets the needs of Early Learning Goals in EYFS, and of the National Curriculum, predominantly through the 'Talk for Writing' approach, which can be readily applied and adapted to suit the individual needs of the children and to suit any book. The curriculum aims to ensure that all pupils:</p> <ul style="list-style-type: none"> ● Develop good speaking and listening skills. ● Develop comprehension skills and demonstrate understanding of what they have read or had read to them. ● Engage and interact with stories. ● Develop phonological awareness and a range of decoding skills. ● Read easily, fluently and with good understanding. ● Develop the habit of reading widely and often, for different purposes. ● Acquire a wide vocabulary, an understanding of grammar and knowledge of linguistic conventions for reading, writing and spoken language. ● Appreciate our rich and varied literary heritage. ● Write clearly, accurately and coherently, adapting their language and style in and for a range of contexts, purposes and audiences. 	<p>Children in Early Years and Key Stage 1 will engage in daily Phonics lessons. At Beaufront this is taught through the Read Write Inc. scheme, which is adapted to suit the needs of the children in terms of groupings, length of session, and additional interventions. Children in Year 2 should complete the programme and will then focus on spelling, vocabulary, grammar and punctuation. This will continue in Key Stage 2, although some children may continue to need to access Phonics as an intervention.</p> <p>All children will access daily lessons around reading and writing, be it Guided Reading, individual 1:1 reading of a phonics-linked or Accelerated Reader reading book, or through in-lesson/ in-provision cross-curricular reading.</p> <p>'Talk for Writing' provides an opportunity to talk, read, and write as both a reader and a writer, and daily lessons are based on books that are chosen for their potential to 'hook' the children in and to inspire them to read and write in creative and imaginative ways. 'Talk for Writing' ensures that children have the opportunity to fully engage with a text, going through processes of imitation, innovation and invention. Drama, role-play, creative work and cross-curricular links bring stories and texts to life, and children are able to write with increasing individuality, independence, interest and imagination, whilst meeting the intended outcomes carefully planned following the 'Talk for Writing' steps.</p>	<p>Through innovative, creative and thorough teaching and learning in English, children are able to:</p> <ul style="list-style-type: none"> ● Speak and listen attentively. ● Communicate effectively using spoken and written language. ● Read with accuracy and enjoyment. ● Read as a reader and as a writer. ● Read a range of texts for pleasure and information. ● Interact with different genres of writing, engaging with texts at depth. ● Think, say and write interesting and purposeful pieces of work. ● Write for different purposes, showing an awareness of the reader and expressing individual styles whilst including key features of the intended genre. ● Include in their writing relevant spelling, vocabulary, grammar and punctuation at stage and age-appropriate levels. ● Enjoy writing and appreciate the work of others.

<ul style="list-style-type: none"> • Use discussion in order to learn, elaborating upon and articulating their ideas and opinions well. • Are competent in the arts of speaking and listening, making formal presentations, demonstrating to others and participating in debate. <p>As per the National Curriculum the English curriculum is organised into:</p> <ul style="list-style-type: none"> • Spoken language (Communication and Language) • Reading • Writing • Spelling, Vocabulary, Grammar, Punctuation and Glossary 	<p>This holistic approach to English ensures daily opportunities and experiences for development and progression of skills needed to achieve the curriculum outcomes for the relevant age and stage.</p> <p>Children will also build skills in relation to:</p> <ul style="list-style-type: none"> - Listening - Speaking - Problem Solving - Creativity - Planning - Adapting - Leadership - Teamwork 	
--	--	--

Big Questions

What are the different ways of communicating?

How were stories shared before they were written?

What is literature?

What is the purpose of literature? (Why do we read? Why do we write?)

What is the role of the author?

What makes a good speaker?

What makes a good reader?

What makes a good writer?

Why do we all enjoy different books and different genres of writing?

Who is the most famous writer you can think of? Why do you think they are so famous?
