

## **Public Sector Equality Duty – Annual Information 2025–2026**

At Beaufront First School we are committed to equality of opportunity for all pupils and members of our school community. We carefully monitor attainment, progress, attendance and wellbeing for different groups of pupils and take action to remove any barriers to success.

### **Eliminating discrimination**

We have clear behaviour and safeguarding procedures, record and follow up any incidents, and make reasonable adjustments so that all pupils can access learning, visits and enrichment. There have been no recorded incidents of discriminatory bullying this year and pupils report that they feel safe and included.

### **Advancing equality of opportunity**

We track the progress of all groups, including disadvantaged pupils and those with SEND, and provide targeted academic and pastoral support where needed. Disadvantaged pupils are fully included in all aspects of school life and gaps in attainment are addressed quickly.

### **Fostering good relations**

Through our school values – Ambitious, Enthusiastic, Inspiring, Outstanding and Unique – our PSHE curriculum and collective worship, pupils develop respect for others and an understanding of different beliefs, cultures and families. Relationships across the school are strong and positive.

School leaders and governors review this information regularly to ensure that equality remains a key priority.
