

PTA
EASTER FRIENDSHIP STONES

Over the weekend, please could you help your child to decorate an Easter Stone, more than one per child would be amazing too.

They can decorate the stone however they wish. The stone could be marked with the words Beaufront Easter Hunt 2021

These stones will be used for our PTA Easter Hunt next, Friday 26th March. The idea is to help the environment by avoiding the use of plastic eggs and for the hunt to be more meaningful to the children.

Once they find a stone on the hunt, it is theirs to keep and a lovely reminder of the Easter Hunt at Beaufront 2021.

Many thanks

Beaufront PTA
