Welcome Back

Dear Families

Welcome back after the long Summer break and welcome to new families who are joining us for the first time, we know your time here will be a positive experience. I am delighted to be able to write my first letter as the new headteacher of Beaufront First School. I feel extremely privileged to have been chosen to continue to build upon the success the school has already achieved under the leadership of Mrs Daniels.

I just wanted to let you know a little information about myself. I am a proud Welshman who has been teaching in London for 13 years. I am astounded with the beauty of Northumberland and have no doubt I have made the right for myself and my family. I am a proud father of two girls and my wife is originally from Northumberland, hence the move to the area.

I am an approachable person and this is how I intend to continue as Headteacher. Please feel free to come to me with any issues or concerns and I will be happy to listen. I have met many of you in last year's charity walk and to those I spoke with, you made me feel very welcome and made me feel part of the community before I even arrived. I felt the same with the staff at Beaufront who have welcomed me with open arms and I already feel part of the team.

During her headship, Mrs Daniels worked tirelessly to make this school and its community the very best it can be. Rest assured, I will be continuing her strive for excellence and many of the expectations, traditions and events that are part of our school will continue. As with any new leadership, there will be some changes to come but you can be confident that I will always have the best interests of your children at the forefront of my intentions.

It is the responsibility of my staff and I to ensure that the highest standard of teaching and learning is achieved for all pupils at Beaufront First School and as parents we need your continuing support in accomplishing this for your child. I look forward to meeting you all and working closely with you as a strong partnership which is essential to a school's success.
