Saint David's Day Daffodil Instructions

Here is how to make this lovely Saint David's Day Daffodil. It is important to understand what the different dotted lines mean when folding the daffodil.

Step 1.

Carefully cut around all the shapes for the Daffodil following the solid black line.

Step 2.

Starting with the pot shape, fold along the lines following the fold guide.

Hint: make the folds sharp.

Step 3

Glue the 1 tab to the side to form the pot.

Step 4

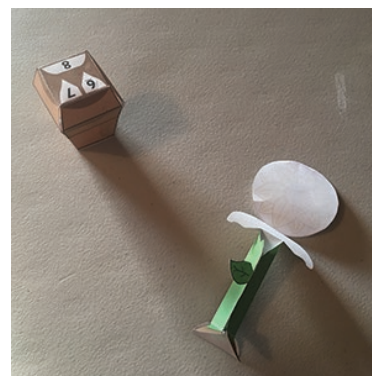

Glue the edges to the corresponding tabs 2, 3 and 4 making sure to glue them down in order. Place aside to dry.

Step 5

Using the daffodil shape, fold along the lines following the fold guide.

Hint: make the folds sharp.

Step 6

Glue the edge of the stem to the corresponding tab 5.

Step 7

Assemble the daffodil by gluing the flower to the corresponding tabs 6,7 and 8.

Your completed daffodil will look like this.
